

2013 Outward-bound Adventure Race

In March 2013, HAESL sent 9 teams to the event and all teams were pleased and excited about this event. With this high level of engagement, HAESL continues to participate in this event to strengthen morale and teamwork. In the end, HAESL master men team won the championship and one open men team won the 2nd runner-up.

Outward Bound Adventure Race is an annual fund-raising event which HAESL has participated since 2011. The aim of this race is to provide an opportunity for participants to challenge themselves physically and mentally, as well as developing their teamwork, leadership and problem-solving skills. At the same time, the collected fund will be used to subsidize the underprivileged youth to join Outward Bound courses that help their personal growth.

HAESL plans to take part in this event in 2014 as well and it is planned to strengthen the event sponsorship on a staff level during the staff application period. Let's join hands to support this meaningful event!

GO HAESL!
