HAESL's 20th Anniversary & Phase VI Building Completion Ceremony

On 6 December 2017, a ceremony was held to celebrate HAESL's 20th Anniversary and Phase VI facility completion. We were greatly honored to have a number of guests officiating at the ceremony, including Mr. Augustus Tang (Chief Executive Officer of HAECO), Chairman of HAESL Mr. Dominic Horwood (Director – Customers and Services, Civil Aerospace of Rolls-Royce), Mr. Greg Hughes (Chief Operations and Service Delivery Officer of Cathay Pacific), and Captain Victor Liu (Deputy Director-General of Civil Aviation of the HKCAD).

The event began with speeches delivered by our Director & General Manager Angus Barclay and the honorable guests, followed by a throttle activation ceremony which symbolised HAESL reaching a new milestone with the completion of Phase VI. We then enjoyed a captivating video taking us on the journey from the demolition of Phase III to the construction of Phase VI. The climax of the ceremony was the unveiling of Phase VI. The guests and our fellow colleagues counted down together before a large curtain separating Phase I and Phase VI was lowered to reveal the extension to the engine overhaul workshop: now almost twice as large as it was before. Officiating guests were then invited to take part in a lion "eye-dotting" ceremony, followed by an energetic lion dance performance. The ceremony concluded with a group photo of guests and the HAESL management team and staff.

The completion of Phase VI marks the turning of a new page in the development of HAESL facilitating substantial growth of engines through the facility.

港發於二零一七年十二月六日舉行了二十週年及六期竣工典禮。我們很榮幸邀請到多位主禮嘉賓出席，包括鄧健榮先生（港機工程行政總裁）、港發主席 Mr. Dominic Horwood（勞斯萊斯民航客戶及服務董事）、韓兆傑先生（國泰營運及航空服務總裁）及廖志勇機長（民航處副處長）。

首先由我們的董事及總經理白祈禮及一眾嘉賓致辭，接著是引擎啟動儀式，標誌著港發於六期竣工後踏入新里程。之後播放了一段扣人心弦的影片，記錄了由拆卸三期直至興建六期的日子。我們接著為六期揭幕，成為整個典禮的高潮：在嘉賓與同事們一同倒數後，分隔一期及六期的一幅大型布幕徐徐落下，顯露了引擎大修工場的伸延部份，面積幾乎是原有的兩倍大。主禮嘉賓跟著獲邀進行點睛儀式，然後是充滿活力的醒獅表演。典禮於嘉賓、港發管理層及員工的大合照後圓滿結束。
